WELCOME TO VAGHAAR

As you go through our menu, you may be curious about the origin of our name - "Vaghaar." Allow us to share the story behind it:

"Vaghaar" means Tadka in Hindi, and Tempering in English. Vaghaar is a fundamental element of Indian cuisine, it is the final step of many dishes that brings out the aroma, flavour, and depth of each dish.

From North to South and East to West, every region in India has its unique style of tempering. It's the one thing that unites all Indian cuisines.

We chose the name "Vaghaar" to pay homage to this beloved technique, which is now synonymous with Indian cooking.

We hope that every dish we serve; brings a burst of flavour, aroma, and warmth to your palate, and that you'll leave our restaurant feeling like you've just experienced a piece of India.

Thank you for joining us on this journey.
